

Announcing the Feasibility Study

Dear Friends:

You may have noticed that we did not have the DSA this year. Our Diocese is in the midst of a capital campaign, Witness to Hope. Our Parish is scheduled to participate from July to December 2017. Over the next few weeks, our parish will be conducting a Feasibility Study to determine if we can conduct a Combined Campaign. We would like to test our ability to raise an even greater amount of funds. Based on capital needs assessments, St. Thomas Aquinas Parish/St. John Church & Student Center need to focus on repairing and replacing aging infrastructure elements. Parish school improvements will focus on increasing the capacity of school enrollment. The study will have three key elements:

- ① A series of one-on-one interviews with a small sample of parishioners.
- ② Town Hall Meetings to be held as follows:

St. John Church	St. Thomas Church
Thursday, May 11, 2017	Tuesday, May 23, 2017
7:00 pm	7:00 pm
- ③ An in-pew survey on the weekend of May 20/21.

Information gathered from you, by Greater Mission, a Catholic development services firm, who is assisting the diocese with this campaign and working with us, will allow the parish leadership to make a prudent and well informed decision. We look forward to your participation and feedback!

Yours in Christ,

Fr. Mark
