

PARENT VOLUNTEERS

Our programs are your programs.
Nothing happens without the involvement of parents! How can you help?

We will need new **catechists & youth ministry team people** at all grade levels this year. This is a great way to get more involved in our parish and to learn more about the faith yourself! All materials are prepared for you - including textbooks, detailed, involving lesson plans and support materials such as games, music, videos, art activities, etc. Most catechists teach in teams so that the responsibility can be shared and there is no unnecessary stress when one of you can't be present for some reason. Class sizes are small—usually from 8-10 students.

We also rely on people who might be willing to substitute.
